KEYNOTE SPEAKER ~ DAN HABIB

Before his son Samuel was diagnosed with cerebral palsy, photojournalist Dan Habib rarely thought about the inclusion of people with disabilities. Now he thinks about inclusion every day. Habib's award-winning documentary film, **Including Samuel**, honestly chronicles the Habib family's efforts to include Samuel in every facet of their lives. The film also features four other families with varied inclusion experiences, plus interviews with dozens of teachers, young people, parents, and disability rights experts. **Including Samuel** is a highly personal, passionately photographed film that captures the cultural and systemic barriers to inclusion.
